Project Highlights

West Brunswick Township | Schuylkill County | 2020

Project Overview

West Brunswick Township, Schuylkill County, is a rural area with many roads that have been “built up” over the years. This road experienced moderate traffic and needed to address profiling & cross slope issues. Cracking showed signs of improper drainage.

Problem Solved

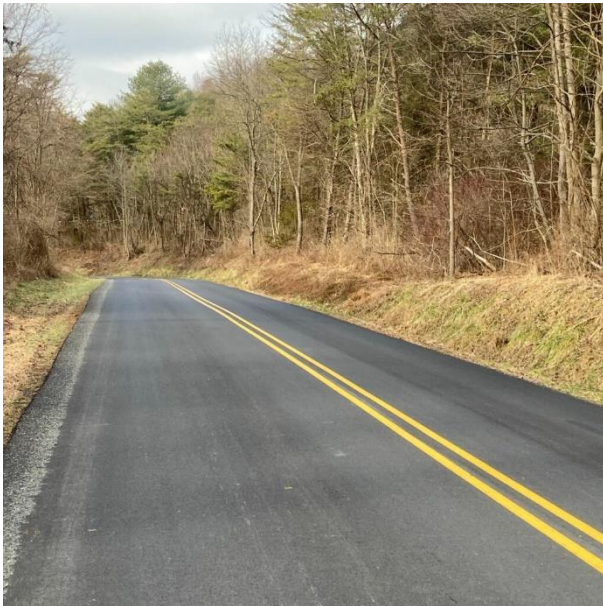

Specifics & Technicalities

For this project, a 4” CIR was performed with the use of asphalt emulsion additive.

Moving Forward

These roads have now properly profiled binder & wearing course. All cracking has been eliminated & the roadway is expected to have a new life expectancy of xx years.
